

## Presqu'ile Yacht Club Crew Bank

There have been several occasions when boats have not raced because no crew was available, and yet there are social members who would like to crew. The crew bank is intended to help put skippers looking for crew (either temporary or permanent) in touch with persons wanting to crew. It is accessible in the "members only" section of the club website. The first posting will be approx mid-May.

Skippers looking for crew - the onus is on you to arrange crew so you should contact person/s listed below. The sooner you do this, the more chance you have of arranging crew (don't leave it till the day of the race!).

Spare crew - you should send the details asked in the table below to either the club secretary (Leigh Campbell) or the RC Sail (Robert Currie) as soon as you know your availability. Available dates etc can be updated as required.

Name	
Phone No & email address	
Dates available	
Sailing/racing experience, also do you have any experience with spinnakers?	
When crewing, you'll normally be required to bring appropriate clothing (it can get cold on the water) including a hat, appropriate non-slip/non marking footwear and your own PFD (note that the boat you'll crew on may have a spare PFD). Clothing, footwear and PFD should be discussed with the skipper prior to the race. On race day, you should plan to be at the club at least 1.5 hours before the start time of Saturday Bay Races, 2 hours before the start of Saturday Lake Races and 1.25 hours before the start of Wednesday Races.	

Note that we hold races most Saturday afternoons from late May till the end of August, plus evening races most Wednesdays from late June till the end of August. The schedule is posted on the website ([www.presquileyc.com](http://www.presquileyc.com)).
